APPLICATIONS:

8 Cummings Street – Window Replacement – App #2024-02 (m) – Lianne Bunting, Homeowner Representing

Mrs. Bunting would like to replace a window in their home, it is a metal framed window and has found a company in Dorchester (Dimond Windows & Doors Mfg.) that can replicate said window. The current window is rusted out and beyond repair. This is causing water damage. Mrs. bunting went over all the dimensions, type of glass, type of framing etc. She showed them the schematics and showed how they would custom fit it.

Chairman Gagliardi opened the floor to the committee for questions and concerns. The committee liked the look of the replica and are satisfied with the way it will look.

Michael Rea, seconded by Richard Hawes, move to approve Application # 2024-02 (m) to replace window as proposed.
